

The screenshot shows the Learning A-Z dashboard interface. At the top, there are navigation tabs for Learning A-Z, Raz-Plus, Headsprout, Science A-Z, Writing A-Z, and Vocabulary A-Z. The user is identified as 'User user001'. Below this is a 'GRADE LEVEL' section with a dropdown menu set to 'Other' and an 'All Set' button. A callout 'A' points to this section. Below the dropdown is a note: 'Students in grades 3+ see the intermediate student portal. You can change this default setting in your Roster.' The main navigation bar includes 'Student Management' with a character icon and 'Access Trial Adventure' button. It also displays 'Student Activities: 9,115,331,884 | Students Online: 35,635' and an 'About Kids A-Z' link. The navigation bar has four main items: 'MY CLASSROOM' (callout B), 'REPORTS' (callout C), 'ASSIGNMENTS' (callout D), and 'IN BASKET' with a '2' notification (callout E). Below the navigation bar is a 'Dashboard' label and a 'Need Help' button (callout F).

Quick Reference

- A** Identifying your **Grade Level** makes rostering your students easier. New students will be placed at the first reading level of the grade you selected.
- B** **My Classroom** allows you to add or transfer students, edit student info and assignment settings, and create student groups.
- C** **Reports** help you track classroom and individual student activity to inform future instruction.
- D** The **Assignments** area enables you to track assignment progress and delete or change assignments to meet content or instructional goals.
- E** Your **In Basket** contains completed student activities for you to review or score, such as assessments, practice recordings, and answers to constructed response questions.
- F** **Need Help** provides step-by-step walkthroughs to help you complete frequently encountered tasks related to rostering, grouping students, assignments, and more.

The **Instructional Support** section, located at the bottom of every page, offers helpful information on getting started, instructional tools, reading level correlations, professional learning, and more.
